* Theology Conference Held
* Development of Expanded Online Learning
* Change of Name Back to Ridley College

From the Chair

After the largest ever graduation in 2013, we continue to be encouraged by the response to our new initiatives and the strength of our core ministry. In 2014 we commenced a five-year program to expand online learning to a full degree program with a high standard of teaching and flexible study modes. Through this expansion we aim to reach underserviced parts of Australia and to support people who are studying and working concurrently. The first new unit was piloted in Semester 2 with 20 students, and 9 new units will be available during 2015.

Other highlights included 3 new Ridley Certificate units, the MA Gold professional development program now running with approximately 40 people each year, books by faculty published, and a successful multi-national theology conference on the topic of Paul as a Pastor, held as we engage internationally as a thought leader.

At the end of 2014 we changed our name back to Ridley College. This name has persisted in usage, is more consistent with our core purpose, and is recognised both nationally and internationally.

We also welcomed Mr Geoff Buchanan, Rev Mark Chew and the Rev Dr Wei-Han Kuan as new members of the Ridley College Board.

The Board and I are thankful for our many supporters for your prayers, encouragement, participation and financial contribution, without which the current and new ministry initiatives would not be possible.

I would also like to acknowledge the leadership team, faculty, staff and board for their dedication in serving Christ at Ridley and their willingness to explore and engage in the new initiatives God is so clearly calling us to as we strive to equip men and women for God's mission in a rapidly changing and increasingly complex post-Christian world.

– Claire Rogers
