Pray that God will continue to raise up more men and women to be trained to preach God's word in churches across our land.

Pray for **students and other library borrowers** that they will plan ahead and be patient when there are delays in obtaining library books over summer, due to limited access to the library building. Pray that they will make good use of the library's many electronic resources.

Pray for the teaching of modern history in **Australian College of Theology Colleges**, and for the international meeting of **Jonathan Edwards Centers** in 2019 at Yale.
