

NORTHERN DISTRICT CHINESE CHRISTIAN CHURCH SYDNEY

Children's Pastor

ND (Northern District Chinese Christian Church Sydney) is a church of four congregations, two English and two Chinese, with a growing children's ministry of around 100 children. We are looking to employ someone to join our pastoral team to work with our English-speaking children.

If you have a passion for children, we want to hear from you! Previous experience in children's ministry is preferred, but new graduates with some children work experience are encouraged to apply.

We are seeking to further develop our Kids for Christ (KFC) children's ministry at ND (from infants to year 6) and are seeking someone who will be able to:

- (a) Oversee children's ministry particular, in discipling and training leaders of this ministry;
- (b) Work closely with other ND pastors and lead the KFC working committee to develop strategies in line with ND's vision particularly in our discipleship initiatives;
- (c) Consider an appropriate curriculum and outreach program for children; and
- (d) Oversee and run an evangelistic kids holiday club.

The applicant will work closely with the ND pastoral team and be actively involved in children's ministry including the training and support of Sunday school teachers and leaders.

The applicant should be a mature Christian and ideally would have a Bachelor of Theology from a recognised theological institution, although Diploma holders are also encouraged to apply.

An application consisting of a cover letter, resumé and appropriate references should be emailed to the ND Pastor Searching Committee at psc@ndcccs.org.au as soon as possible.
