

# WOMEN'S MINISTRY WORKER

Southside Bible Church is a Reformed evangelical, Christ-centred, and gospel-focused church in southern Canberra.

We are looking for a part-time (0.6) Women's Ministry Worker to join our team to oversee our Women's Ministry needs. The role has the possibility to turn into full-time for the right candidate.

We are an intergenerational community made up of many cultures. We seek to model every member ministry where members at different stages of life use their varied gifts and abilities to invest deeply and serve one another.

We envisage this leader will equip our women (especially singles and young mothers) to embrace Biblical womanhood and the lordship of Jesus in their lives.

### OUR MISSION:

We seek to **BUILD** the church as a loving community, **REACH** people with the gospel of grace, and **MAKE** disciples who know and obey the Bible

### ROLE

Disciple and nurture women (especially young singles and young adults) to grow and serve others like Jesus.

Facilitate discipleship events for women, and mentor them one-on-one in the Scriptures.

Coordinate and multiply small groups of women who meet regularly in our church to support each other.

Mobilise women for local mission, modeling and training others to share the gospel with outsiders.

Prepare and lead bible studies for women, and train others to also lead.

Collaboratively work with the Lead Pastor and provide pastoral care for women.
