UNITING CHURCH GOSPEL HALL MELBOURNE

196 Little Bourke Street, Melbourne VIC 3000 Australia

Position Available 0.8 FTE English Pastor

We would like to seek a person for the above position to join our ministry in the heart of Melbourne City. Gospel Hall Melbourne is a worshipping community that ministers in Cantonese, Mandarin and English, and we are seeking to grow our small congregation of English speakers from various backgrounds.

Gospel Hall is the oldest known Chinese worshipping community within the Uniting Church in Australia, being over 150 years old. Its Cantonese congregation, around 100 to 120 strong, has outgrown its original worship facility and currently uses the neighboring Wesley Church site for worship. The English Ministry has been worshipping at the worshipping community's original site at Little Bourke Street since around 2008, consists of 20 to 30 members, and currently lacks its own direct pastoral oversight. The Mandarin congregation also worships at Little Bourke Street, and is around 45 to 60 strong.

We are looking for someone of integrity with the evangelical faith, and seeking for someone sympathetic to Chinese culture yet able to preach and lead in English, and oversee the mission and spiritual life of our English ministry. Proven pastoral experience will be an advantage.

We do value:

1. The grace of multiculturalism and unity.
2. The need for outreaching.
3. The grace of traditional marriage.
4. The importance of pastoral care.
5. The spirit of teamwork.
6. A humble personality.

This position may lead to a full-time opportunity in the future.
