

Youth & Young Adults Pastor - Living Water Anglican Church (Albany, WA)

Part Time: 3 days/wk

We are at an exciting stage of our church's life where we are seeking to appoint an additional part time pastor to join our staff team. This role would have a special focus on ministry to youth (gr7-11) and young adults. The role is flexible and would involve contributing and participating in the leadership community of the church, and being supported by the Senior Ministry staff (Clergy) and Administration team. For those desiring full time employment, the remaining days in the week may be utilised through school chaplaincy in Albany with YouthCare WA.

Some key requirements for the role would be:

Safe church and working with children compliance.

Theological training and ministry experience.

Either licensed or eligible to be licensed for ministry in the Anglican church.
